

# Guidance for the shipping company/safety officer

This training manual will form a complete Fire Safety Training Manual when the supplements mentioned below have been made. It will thus fulfill the requirements of the Danish Maritime Authority publication Order no. 1154 of 19 November 2019 on the construction and equipment, ect. of ships, implementation of the International Convention on Safety of Life at Sea (SOLAS), Chapter II-2, Regulation 15 and 16.

On possible replacement of fire fighting equipment by new products or types, replacement of the material contained in the manual will also be necessary.

The items to be supplemented are as follows:

- 0 The main page to be filled in.
- 3.7 Location of Fire Control Plans are described.
- 4.2 The Fire Muster List to be inserted.
